EDISON SENIOR HIGH SCHOOL
LAKE STATION, IND.

Every moment

that we are together

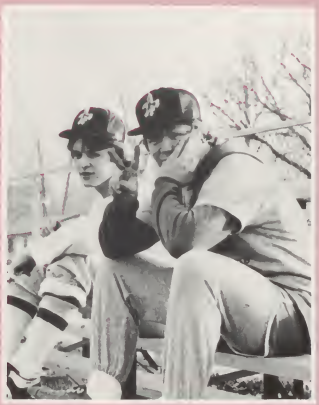

I am learning

something

and that knowledge

becomes a permanent

part of me.

Though my feelings will be different

a year from now

part of the difference

is you.

or ten years.

Because of you I am

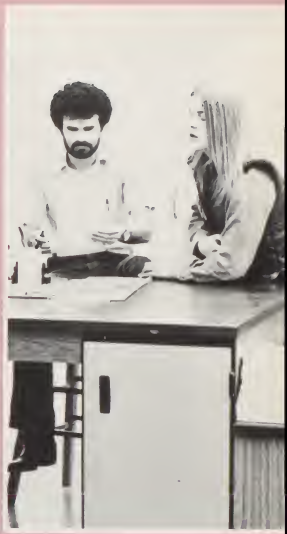

a different person,

and the person I become

will have gotten there

partly because of you.

1979-80 — A Season In Review . .

Television, our national pastime, has an influence on every person's life. News, games, documentaries, sports, music, drama, comedy — there is something for everyone. T.V. entertains, informs and educates.

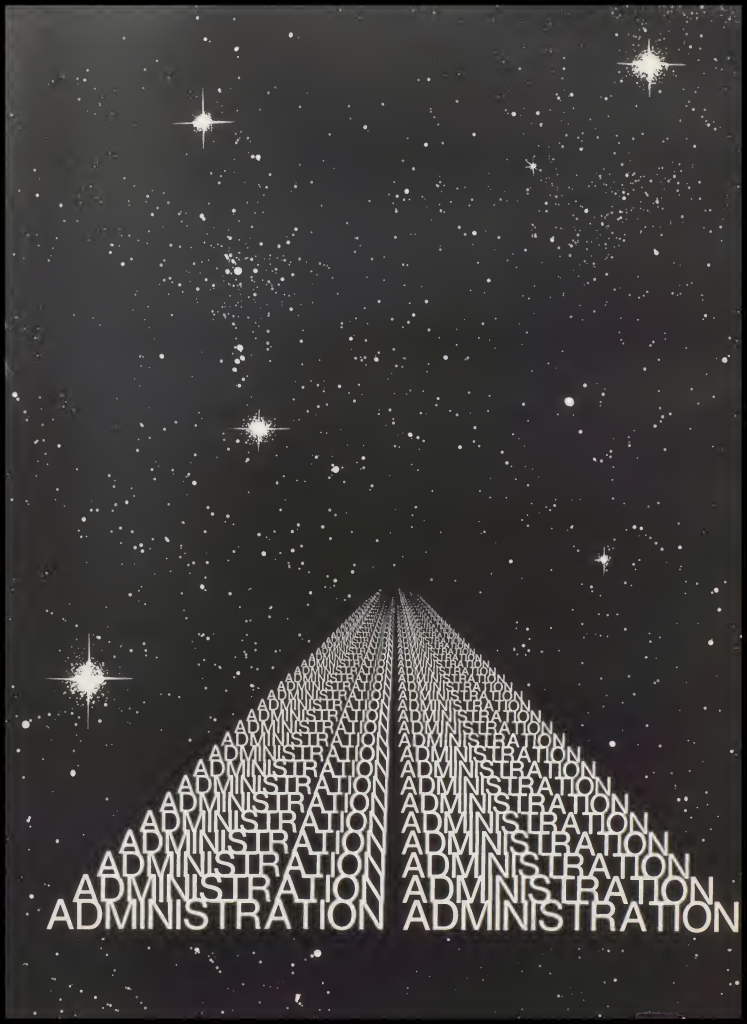

Edison students tune in to life — the action, sights, and sounds of E.H.S. are rated high for this reason the Edisonian has chosen the theme, "A Season in Review," to broadcast the story of 1979-80. Coming your way will be sports events, clubs, dances, graduation and much more starring administrators, faculty, students and staffs!

Lake Station Board of School Trustees. Front, left to right — Mr. Long, Mr. Paulk. Back — Mr. Vanderlin, Mr. Fronczak, Mr. Ellis.

Mr. Daniel Fronczak, Member

It is the Board of Education's belief that a sound and viable educational program must be provided for each student. In order to fulfill this belief, the Board of Education endeavored to provide such an education by constructing the new Junior-Senior High School Complex. The building program was accomplished because of the interest and cooperation that was received by the community, not to mention the sacrifice that all the taxpayers had to endure.

Hopefully with the new facility and the help of the teaching staff, our students will take advantage of their education. As students, you must also be responsible to help preserve the building and equipment so that future generations will have the same or better opportunity to be educated in the schools of Lake Station.

William E. Long, President
Lake Station Board of School Trustees

Administration

I appreciate this opportunity to wish the 1980 graduating class the best of luck, as you leave the Lake Station Schools, hopefully you look back at fond memories of your school and your individual accomplishments.

It is my hope that as adults you meet the challenge of adult life. We as educators hope that we have contributed to your future success, fully realizing that only you can be held responsible for your accomplishments.

Homecoming, "The Big Event"

The 1979 Homecoming King candidates with their escorts, left to right — Mark Brant, Tom Menefee, Phil Rubino, Joe Carlin (King), Tim Menefee.

The 1979 Homecoming Queen and court, left to right — Tamara Kadish, Sandra Reames, Patti Stahl (Queen), Angela Woodall, Vicki Rock.

This year instead of Powder Puff, the girls of our school competed in a new and different event called Almost Anything Goes. The games that were included in this event were the tricycle race, Michelin Man, raw egg catch, 3-legged race, and the blind obstacle course. Every class competed in all the games, but Sophomores won overall. During this event the king candidates were announced. They were Tom Menefee, Mark Brant, Phil Rubino, Tim Menefee, and the king, Joe Carlin. Placing first in the Almost Anything Goes contest were the sophomores, juniors second, seniors third, and freshmen last.

October 24, 1963-June 4, 1980

After the rain comes the rainbow,
After the storm, the sun,
And daylight breaks across the sky
After the night is done;
Life brings the sweet with the bitter,
Happier times follow tears,
Just as after the snows of winter,
The beauty of springtime appears!

SENIOR PLAYERS

I feel that Phil Rubino has done a very good job in the two years that he participated in football. Erik Huddlestan and Tim Menefee were about the two best defensive ends over the last eight years. Joe Carlin and Tom Menefee opened many holes for the backs to run through. Jay Ohmann has done exceptionally well and has broken many of our records. Scott Cherry and Mitch Fazekas were our two most often used receivers.

We had an outstanding defense this year with Tom Smith and Tom Menefee at linebacker positions. Pete Manlis did a fine job the first half of this season, but had to stop because of an injury. Decatur Cook, who was very helpful in the specialty area, was also injured in the middle of the season.

These players, each and every one, will definitely be missed come 1980.

1979 SEASON REVIEW

We thought that we could have won a couple more ball games than we did, but we were satisfied with the 6-4 record of '79. The attitude of the team was one of the best through the years, they really listened well.

The Most Valuable Player this year was Tom Menefee. He was named All-Conference offensive guard and defensive linebacker. Tom made the Post Tribune's second team All-Area defensive linebacker, and was named Player of the Week for the Knox game. He also received All-State honorable mention in both the UPI and AP polls.

Other Conference winners were Tim Menefee, offensive tight end and honorable mention defensive end; Erik Huddleston, honorable mention defensive end; and Scott Cherry, honorable mention defensive back.

Edison Sr. High Football Awards for 1979 went to Joe Corlin, Mental Attitude; Erik Huddleston, Most Improved; Tom Smith and Tim Menefee, Joel Mock Award; Tom Menefee, Statistical and Top Blocker; Scott Cherry, Outstanding Defensive Back; Scott Moro, Outstanding Offensive Back, and Rod Alderson, Outstanding Defensive Linemen.

The Cross Country Team enjoyed a very successful season as they posted their first winning record in recent history, nine wins and three losses in dual meet competition. The season was highlighted by a fine performance in the Sectionals which qualified Lake Station for the Regionals for the first time in the school's history. The team entered the Regionals with an overall record of 28-15.

The school's top runner, Bill Brown, broke the previous school record with a 2½ mile time of 12.52 in the Hammond Sectional. Other top runners close to Bill Brown all year were senior Kevin Hanar and junior Jeff Howell.

The guys put a lot of work into the program this year. But for us to be competitive next year, we're going to have to work even harder.

We played one of our best matches against Gary Roosevelt in the Sectionals. A 3-2 loss.

Overall, I enjoyed working with the players and was pleased with their effort during the year.
